ORIGINS PILLOW TOP COLLECTION

The Hypnos OriginsTM Story

Each Hypnos bed is individually handmade by master craftsman and customised to personal tastes and needs. Proud holders of a Royal Warrant, Hypnos' unrivalled 'best of British' quality is reinforced by a 10-year guarantee and a reputation for making the most comfortable beds in the world.

SPECIFICATION

- The Alvescot mattress provides supportive comfort for the body, with cushioning layers of responsibly sourced cotton and soft Solotex™.
- The cotton is soft, breathable and responsibly sourced, ensuring continuous improvements for the environment it grows in and the farming communities who produce it.
- Containing over 2kg of pure British wool (per 150cm mattress) to wick away moisture from the body and provide resilient comfort, all the wool is traceable to Red Tractor assured farms.
- This no-turn mattress features ReActivePro™ 6-turn pocket spring system with Triple Edge Protection™ providing our best edge-to-edge support. Tailored with two rows of genuine hand side stitching.
- The breathable sleep surface, woven from sustainably sourced, unbleached cotton, is naturally fire resistant without the use of traditional FR chemicals.

DESIGN OPTIONS

- We recommend pairing this mattress with a firm edge, sprung divan base for optimum comfort. Select a traditional deep or modern shallow divan style with a choice of feet.
- Choose a Hypnos headboard to crown the bed, upholstered in a range of fabrics to match the divan base and your interior, creating a stunning bedroom centrepiece.
