ORIGINS NO-TURN COLLECTION

The Hypnos
OriginsTM
Story

Each Hypnos bed is individually handmade by master craftsman and customised to personal tastes and needs. Proud holders of a Royal Warrant, Hypnos' unrivalled 'best of British' quality is reinforced by a 10-year guarantee and a reputation for making the most comfortable beds in the world.

SPECIFICATION

- The Chiltern Deluxe provides supportive comfort for the body, with a deep layer of natural and responsive Talalay latex, which is plant-based and provides breathable comfort.
- Generous layers of soft cotton help keep sleepers cool at night. By responsibly sourcing its cotton, Hypnos are supporting continuing improvements for the environment cotton grows in and the farming communities who produce it.
- This no-turn mattress features a ReActivePro™ 6-turn pocket spring system with Triple Edge Protection™ providing our best edge-to-edge support. Tailored with two rows of genuine hand side stitching.
- A soft layer of Solotex™ creates a plush appearance, whilst the breathable sleep surface, woven from sustainably sourced, unbleached cotton, is naturally fire resistant without the use of traditional FR chemicals.

DESIGN OPTIONS

- We recommend pairing this mattress with a firm edge, sprung divan base for optimum comfort. Select a traditional deep or modern shallow divan style with a choice of feet.
- Choose a Hypnos headboard to crown the bed, upholstered in a range of fabrics to match the divan base and your interior, creating a stunning bedroom centrepiece.
