Care instructions

Routine soap and warm water sponging is effective for ordinary use. Fresh stains, both water and oil based are easily removed using most water based household spray cleaning agents. A half cup of bleach for 5 litres of water can also be used as a useful disinfectant. Best cleaning method is 'wipe and dry' technique.

Product & Packaging Dimensions

Mattress ready for use: W90cm (35.4in) L190cm (74.8in) D18cm (7in)

Mattress packed: W33cm (12.9in) L33cm (12.9in) H10cm (3.9in) (0.1089m³)

Weight: 14.8kg / 32.6lb

Roll-Packed

Creating dreams

JAY-BE
Sleep Smart

The JAY-BE® Simply Kids Waterproof mattress is a lot more than a fun blue design. It utilises technically enhanced waterproof fabric technology, which has anti-bacterial, anti-microbial and anti-fungal properties. It is also easy to wipe clean.

At its core, this JAY-BE® children's mattress is constructed with a medium firmness spring to offer evenly distributed support throughout the night. To prevent spring feel, the spring is topped with a high-density (HD) insulator pad and a deep cushion of breathable smart fibre comfort layers.

As well as offering ultimate practicality, the smart fibre comfort layers within the mattress are breathable and hypoallergenic. The open cell structure of the smart fibre comfort layers enables the free flow of air through the mattress which in turn reduces moisture helping to prohibit mould and allergens. As a result, a more comfortable and temperature controlled sleeping environment is experienced.

All JAY-BE® Simply Kids mattresses are backed by a five-year manufacturer's guarantee. Roll-packed for your complete convenience.
