1. CUBRA O PONTILHADO CONFORME MODELO ABAIXO:

The tracing practice sheet consists of ten rows of patterns on a four-line grid. Each row starts with a solid-colored model followed by several dashed versions for tracing. Row 1: A solid vertical line, a solid horizontal dash, and a solid vertical line, followed by seven dashed versions of the same three elements. Row 2: A solid black zigzag line, followed by seven dashed versions. Row 3: A solid green X-shaped pattern, followed by seven dashed versions. Row 4: A solid red spiral, followed by seven dashed versions. Row 5: A solid black figure-eight loop, followed by seven dashed versions. Row 6: A solid red teardrop shape, followed by seven dashed versions. Row 7: A solid black wavy line, a solid yellow figure-eight loop, and a solid black wavy line, followed by seven dashed versions of the wavy line. Row 8: A solid green triangle with a circle inside, a solid purple teardrop shape with a circle inside, and a solid black triangle with a circle inside, followed by seven dashed versions of the triangle with a circle inside.
