#### RESEARCH NOTES

Pattern county — no county-specific cottage food rules found. State baseline (GA HB 398, eff. July 1, 2025) governs. Georgia’s 2025 law significantly expanded cottage food rights. Under HB 398, cities/ counties may opt out of third-party vendor sales via ordinance but cannot impose broader cottage food regulations. Local business licensing and zoning still apply. No Hart County-specific cottage food code identified in research.
