**RESEARCH NOTES**

No county-specific cottage food ordinance found that overrides state law. Illinois 410 ILCS 625/4 preempts local rules inconsistent with state law (2022 PA 102-0633 and 2025 PA 103-0903 amendments). Local zoning may regulate signage, customer traffic, and parking at home sales locations but cannot prohibit or restrict allowed foods/venues inconsistently with state law. Registration required with local county health department (up to \$50/year); CFPM-level food safety certificate required. No sales cap. Defaulting to state baseline.
