RESEARCH NOTES

No county-specific cottage food ordinance found that overrides state law. Indiana IC 16-42-5.3, Sec. 12 explicitly prohibits local government from requiring any licensure, certification, or inspection of home-based vendor foods. State law fully preempts local licensing/inspection requirements. Food handler certificate (ANSI-accredited) required; no registration/permit required. No sales cap. Indiana HB 1424 (signed March 2026, effective July 1, 2026) further loosens regulations; not yet in effect as of research date. Defaulting to state baseline.
