#### RESEARCH NOTES

State law (IC 16-42-5.3, enacted 2022 HEA 1149) explicitly preempts local governments from requiring licensure or inspection of home-based vendors (HBVs). ANSI-accredited food handler certificate required; must be provided to local health department. Indiana HBV Handbook 2025 confirms local zoning ordinances unrelated to food safety may still apply. Note: Indiana HB 1424 signed March 12, 2026 (effective July 1, 2026) further expands HBV rules to allow prepared foods, certain meat products, produce, natural sweeteners, baked goods, fruit spreads, and candy — changes not yet in effect as of research date. No Jackson County-specific cottage food ordinance found. Defaulting to state baseline.
