IMPORTANT — NOT LEGAL ADVICE

This report compiles publicly-available statutes, regulations, and county zoning rules into a research reference. It is **not legal advice** and is provided **without warranty** as to accuracy, completeness, or current applicability.

Cottage food law changes frequently. Counties may amend zoning, health departments may issue new permits, and state legislatures may update statutes after the publication date shown above.

Always verify rules directly with your state department of health/agriculture and your county health and planning offices before relying on them for any business or regulatory decision. Consult a licensed attorney for advice specific to your situation.
