MCL §289.4102	Great	50000	MEDIUM	2026-05-05

IMPORTANT — NOT LEGAL ADVICE

This report compiles publicly-available statutes, regulations, and county zoning rules into a research reference. It is **not legal advice** and is provided **without warranty** as to accuracy, completeness, or current applicability.

Cottage food law changes frequently. Counties may amend zoning, health departments may issue new permits, and state legislatures may update statutes after the publication date shown above.

Always verify rules directly with your state department of health/agriculture and your county health and planning offices before relying on them for any business or regulatory decision. Consult a licensed attorney for advice specific to your situation.

State context — Michigan cottage food law

Monroe County's rules sit on top of Michigan's state cottage food framework. The state law sets the floor — counties can add but cannot remove protections.

STATUTE	ANNUAL SALES CAP
MCL §289.4102	50000
REGISTRATION REQUIRED	FOOD HANDLER CERT
No	No
KITCHEN INSPECTION	DIRECT SALES ONLY
No	Yes

INDIRECT SALES

No — Sales through retail stores, restaurants, or wholesale are prohibited. Online sales, mail order, and third-party delivery platform sales (e.g., DoorDash) are allowed in-state only, but require the producer to offer the customer an opportunity to directly interact (face-to-face or virtually) before purchase. A separate \$75,000 cap applies if all products are priced at \$250 or more per item. Honey and maple syrup have a separate exemption permitting indirect retail sales up to \$15,000/year.

For the full state-level analysis including the verbatim statute text, see the [Michigan cottage food law report](#).
