IMPORTANT — NOT LEGAL ADVICE

This report compiles publicly-available statutes, regulations, and county zoning rules into a research reference. It is **not legal advice** and is provided **without warranty** as to accuracy, completeness, or current applicability.

Cottage food law changes frequently. Counties may amend zoning, health departments may issue new permits, and state legislatures may update statutes after the publication date shown above.

Always verify rules directly with your state department of health/agriculture and your county health and planning offices before relying on them for any business or regulatory decision. Consult a licensed attorney for advice specific to your situation.

State context — Minnesota cottage food law

Itasca County's rules sit on top of Minnesota's state cottage food framework. The state law sets the floor — counties can add but cannot remove protections.

STATUTE Minn. Stat. §28A.152	ANNUAL SALES CAP 78000
REGISTRATION REQUIRED Yes	FOOD HANDLER CERT Yes
KITCHEN INSPECTION No	DIRECT SALES ONLY No

INDIRECT SALES

No — Sales are limited to direct-to-consumer channels: community events, farmers markets, from the producer's home, online (in-state delivery by the producer personally or by mail/commercial delivery), and fundraising donations. Restaurants, retail stores, roadside stands, mail order wholesale, and catering are prohibited. All deliveries must be made by the producer personally unless shipped by mail or commercial delivery upon a prior online sale. Home-canned products in the pH/water-activity exemption category (Subd. 1(a)(2)) may not be sold outside of Minnesota.
