State context — Minnesota cottage food law

Pope County's rules sit on top of Minnesota's state cottage food framework. The state law sets the floor — counties can add but cannot remove protections.

INDIRECT SALES

No — Sales are limited to direct-to-consumer channels: community events, farmers markets, from the producer's home, online (in-state delivery by the producer personally or by mail/commercial delivery), and fundraising donations. Restaurants, retail stores, roadside stands, mail order wholesale, and catering are prohibited. All deliveries must be made by the producer personally unless shipped by mail or commercial delivery upon a prior online sale. Home-canned products in the pH/water-activity exemption category (Subd. 1(a)(2)) may not be sold outside of Minnesota.
