## RESEARCH NOTES

Arthur County is a rural Nebraska county. No county-specific cottage food or home occupation zoning ordinance was identified for the unincorporated county area. Nebraska's cottage food law (Neb. Rev. Stat. §81-2,280) requires registration and food handler certification but has no sales cap. As of LB262 (July 2024), some TCS foods are also permitted. County-level zoning is minimal or absent in most rural NE counties; state law governs.
