**IMPORTANT — NOT LEGAL ADVICE**

This report compiles publicly-available statutes, regulations, and county zoning rules into a research reference. It is **not legal advice** and is provided **without warranty** as to accuracy, completeness, or current applicability.

Cottage food law changes frequently. Counties may amend zoning, health departments may issue new permits, and state legislatures may update statutes after the publication date shown above.

**Always verify rules directly with your state department of health/agriculture and your county health and planning offices before relying on them for any business or regulatory decision.** Consult a licensed attorney for advice specific to your situation.
