RESEARCH NOTES

Lander County is a sparsely populated mining and ranching county. Cottage food registration is handled through the Nevada DPBH or designated local health authority. No Lander County-specific cottage food ordinances found beyond state law. State NV business license required; county business license requirements vary. Medium confidence due to 2025 statutory changes in transition.

State context — Nevada cottage food law

Lander County's rules sit on top of Nevada's state cottage food framework. The state law sets the floor — counties can add but cannot remove protections.

STATUTE	ANNUAL SALES CAP
NRS §446.866 (repealed 2025; superseded by AB352/chapter 420 & 512, Statutes of Nevada 2025)	35000
REGISTRATION REQUIRED	FOOD HANDLER CERT
Yes	No
KITCHEN INSPECTION	DIRECT SALES ONLY
No	Yes
INDIRECT SALES	
No — Under the pre-2025 law (NRS 446.866), sales must be in-person transactions only — no internet or phone sales. Products may not be sold to wholesalers, brokers, distributors, or retail establishments for resale. AB352 (2025) amends this to allow phone and internet transactions with delivery via mail or food delivery service, but product relinquishment must still occur in Nevada. Local rules vary significantly: Clark County (Las Vegas), Washoe County, Carson City, and Douglas County have separate health authority requirements.
