IMPORTANT — NOT LEGAL ADVICE

This report compiles publicly-available statutes, regulations, and county zoning rules into a research reference. It is **not legal advice** and is provided **without warranty** as to accuracy, completeness, or current applicability.

Cottage food law changes frequently. Counties may amend zoning, health departments may issue new permits, and state legislatures may update statutes after the publication date shown above.

Always verify rules directly with your state department of health/agriculture and your county health and planning offices before relying on them for any business or regulatory decision. Consult a licensed attorney for advice specific to your situation.

RESEARCH NOTES

NY Home Processor Exemption administered by NY Ag & Markets (Albany office serves Delaware County). Delaware County is a rural Catskill-region county with active agricultural community; no county-specific cottage food restrictions beyond the state framework found. Local zoning in individual towns/villages is not preempted by the state program. Home Processor registration is free and does not expire but is location-specific. Medium confidence because local zoning varies at the town level in NY.
