## RESEARCH NOTES

Logan County is a rural North Dakota county. No county-specific cottage food or home occupation zoning ordinance was identified for the unincorporated county area. North Dakota's cottage food law (N.D. Cent. Code ch. 23-09.5) is highly permissive with no sales cap, no registration, no inspection, and a broad product definition. County-level zoning is minimal or absent in most ND counties; state law governs.

## State context — North Dakota cottage food law

Logan County’s rules sit on top of North Dakota’s state cottage food framework. The state law sets the floor — counties can add but cannot remove protections.
