State context — Oklahoma cottage food law

Beaver County's rules sit on top of Oklahoma's state cottage food framework. The state law sets the floor — counties can add but cannot remove protections.

STATUTE	ANNUAL SALES CAP
2 O.S. §5-4.1 through §5-4.6 (Homemade Food Freedom Act)	75000
REGISTRATION REQUIRED	FOOD HANDLER CERT
No	Recommended
KITCHEN INSPECTION	DIRECT SALES ONLY
No	No

INDIRECT SALES

Limited (see notes) — Sales are permitted on site, by delivery, at farmers markets, through cooperatives, and through membership-based buying clubs. The Oklahoma Department of Agriculture, Food, and Forestry may promulgate rules to allow sales at other locations or by other means. County ordinances may regulate but may not conflict with or impede the Act. For TCS foods, the producer must complete an approved food safety training (e.g., ServSafe Food Handler Training, max 8 hours, available online) before selling.
