IMPORTANT – NOT LEGAL ADVICE

This report compiles publicly-available statutes, regulations, and county zoning rules into a research reference. It is **not legal advice** and is provided **without warranty** as to accuracy, completeness, or current applicability.

Cottage food law changes frequently. Counties may amend zoning, health departments may issue new permits, and state legislatures may update statutes after the publication date shown above.

Always verify rules directly with your state department of health/agriculture and your county health and planning offices before relying on them for any business or regulatory decision. Consult a licensed attorney for advice specific to your situation.

State context — Oklahoma cottage food law

Creek County's rules sit on top of Oklahoma's state cottage food framework. The state law sets the floor — counties can add but cannot remove protections.

STATUTE	ANNUAL SALES CAP
2 O.S. §5-4.1 through §5-4.6 (Homemade Food Freedom Act)	75000
REGISTRATION REQUIRED	FOOD HANDLER CERT
No	Recommended
KITCHEN INSPECTION	DIRECT SALES ONLY
No	No

INDIRECT SALES

Limited (see notes) — Sales are permitted on site, by delivery, at farmers markets, through cooperatives, and through membership-based buying clubs. The Oklahoma Department of Agriculture, Food, and Forestry may promulgate rules to allow sales at other locations or by other means. County ordinances may regulate but may not conflict with or impede the Act. For TCS foods, the producer must complete an approved food safety training (e.g., ServSafe Food Handler Training, max 8 hours, available online) before selling.

For the full state-level analysis including the verbatim statute text, see the [Oklahoma cottage food law report](#).
