RESEARCH NOTES

Oklahoma Homemade Food Freedom Act (HB 1032, 2021) is a permissive freedom-tier law. State exempts producers from all OSDH and ODAFF licensing. \$75,000 annual sales cap. TCS foods allowed with food safety training. No county-specific zoning overlay found for cottage food. Pottawatomie County govt website does not have a cottage food or home occupation page. City of Shawnee would have its own zoning rules for properties within city limits.

The Oklahoma Department of Agriculture, Food, and Forestry may promulgate rules to allow sales at other locations or by other means. County ordinances may regulate but may not conflict with or impede the Act. For TCS foods, the producer must complete an approved food safety training (e.g., ServSafe Food Handler Training, max 8 hours, available online) before selling.
