IMPORTANT — NOT LEGAL ADVICE

This report compiles publicly-available statutes, regulations, and county zoning rules into a research reference. It is **not legal advice** and is provided **without warranty** as to accuracy, completeness, or current applicability.

Cottage food law changes frequently. Counties may amend zoning, health departments may issue new permits, and state legislatures may update statutes after the publication date shown above.

Always verify rules directly with your state department of health/agriculture and your county health and planning offices before relying on them for any business or regulatory decision. Consult a licensed attorney for advice specific to your situation.

State context — Oregon cottage food law

Wasco County’s rules sit on top of Oregon’s state cottage food framework. The state law sets the floor — counties can add but cannot remove protections.

STATUTE ORS §616.723	ANNUAL SALES CAP 50000
REGISTRATION REQUIRED Depends	FOOD HANDLER CERT Yes
KITCHEN INSPECTION No	DIRECT SALES ONLY No

INDIRECT SALES
 Limited (see notes) — Direct sales to end users are permitted in any manner including online, mail, and at events. Sales to retailers (including coffee shops but not restaurants) are permitted if the retailer agrees to store/display the foods separately and clearly indicate they are homemade and not prepared in an inspected food establishment. Sales to institutions (restaurants, schools, hospitals, caterers, day care centers, nursing homes, correctional facilities) are prohibited. A Domestic Kitchen Bakery License (~\$50/year) is required for establishments wishing to sell to retailers under licensed status rather than using the residential-dwelling exemption. The department may provide a unique identification number for use on labels. Annual records must be maintained for 3 years.
