IMPORTANT — NOT LEGAL ADVICE

This report compiles publicly-available statutes, regulations, and county zoning rules into a research reference. It is **not legal advice** and is provided **without warranty** as to accuracy, completeness, or current applicability.

Cottage food law changes frequently. Counties may amend zoning, health departments may issue new permits, and state legislatures may update statutes after the publication date shown above.

Always verify rules directly with your state department of health/agriculture and your county health and planning offices before relying on them for any business or regulatory decision. Consult a licensed attorney for advice specific to your situation.

State context — Tennessee cottage food law

DeKalb County’s rules sit on top of Tennessee’s state cottage food framework. The state law sets the floor — counties can add but cannot remove protections.

STATUTE Tenn. Code §53-1-125 (Food Freedom Act)	ANNUAL SALES CAP —
REGISTRATION REQUIRED No	FOOD HANDLER CERT No
KITCHEN INSPECTION No	DIRECT SALES ONLY No

INDIRECT SALES
 Yes — The Tennessee Food Freedom Act (Public Chapter 862, effective July 1, 2022) broadly exempts production and sale of non-TCS homemade food items from all licensing, permitting, inspecting, packaging, and labeling laws. Sales may be direct to consumer in person or remotely. Local government ordinances restricting homemade food sales are preempted. Note: Prior to the 2022 Food Freedom Act, the older domestic kitchen regulations (TDA Chapter 0080-4-11) required a permit, inspection, and food safety certification, and limited sales to 100 units/week; the Food Freedom Act supersedes these requirements for qualifying non-TCS homemade foods.

For the full state-level analysis including the verbatim statute text, see the [Tennessee cottage food law report](#).
