State context — Texas cottage food law

Kenedy County’s rules sit on top of Texas’s state cottage food framework. The state law sets the floor — counties can add but cannot remove protections.

STATUTE	ANNUAL SALES CAP
Tex. Health & Safety §437.001 et seq.	150000
REGISTRATION REQUIRED	FOOD HANDLER CERT
No	No
KITCHEN INSPECTION	DIRECT SALES ONLY
No	No

INDIRECT SALES
 Limited (see notes) — Sales must be made directly to consumers or to a 'cottage food vendor' (a new category created by SB 541 in 2025 – a person with a contractual relationship who sells on behalf of the cottage food operation to consumers in-state). Cottage food products may not be sold as ingredients to a food service establishment. No retail grocery store or wholesale sales permitted under the pre-2025 framework; SB 541 (2025) adds the cottage food vendor intermediary option. Products must be delivered to consumer or vendor at point of sale or consumer-designated location.
