### Experience

---

#### CSUMB MPA Department / Student Music Tech Assistant

April 2022 - Present, Seaside, Ca

I help set up gear, mics, lights, and tear down any MPA event. I mix the shows on a SoundCraft system that is linked to an iPad.

#### Freelance / Mixing and Engineering

January 2020 -Present, Hollister, Ca

I oversee the entire production process for multiple artists. I create the beat, record instruments/ vocals, mix, and master.

#### Kuumbwa Jazz/ Music Tech Assistant

July 2019 - December 2019, Santa Cruz, Ca

I got an internship opportunity through my community college, Cabrillo. I mainly worked under David Egan and shadowed him while he set up and mixed shows.
