

YOUR COMMITMENT

Being part of the CareerTrackers community requires commitment both from you as an intern and from the program in our efforts to work with you.

If you are not meeting these commitments, your ongoing participation in the program will be reviewed, with the potential outcome being withdrawal from the program. If your ability to maintain the above commitments changes, please ensure you communicate this to CareerTrackers in writing and we will work with you to develop a plan to help you stay on the path to success.

YOUR COMMITMENT

- Maintain full-time status at university and make continuous progress towards graduation

- Submit proof of enrolment and university transcript when requested

- Submit all required documentation within standard timelines

- Completion of all steps to secure an internship

- Participation in all program activities each year, including networking events

- Maintain transparent and timely communication with your Advisor and other CareerTrackers staff as required

OUR COMMITMENT

- Provide a dedicated Advisor to support your success in the program

- Work with you to create career pathways aligned with your aspirations

- Hold tailored professional development and training events

- Create opportunities for you to build your networks within the CareerTrackers community

- Transparent and timely communication with you
