FLEET-APPROVED COMFORT AND SAFETY

GRIP STEP™ RUNNING BOARDS EXPANDED METAL TREADS

Grip Step™ running boards are the ideal steps for work trucks and commercial vans. Their powder-coated construction is highly weather-resistant, and their unique metal treads offer several safety advantages. Grip Steps™ are also available in XL, SlimGrip™, rear step and hitch step configurations.

| High traction

Unlike plastic, the expanded metal treads provide maximum traction and safety on the job, regardless of weather conditions.

| Extra comfort

7" width offers a large, comfortable surface to ensure confident footing and an ergonomic environment for drivers and workers.

| Open treads

As passengers step up, dirt and debris are knocked off their boots and pass through the open treads, keeping the vehicle interior clean.
