## TOWING & TRUCK ACCESSORIES

CURT Group is a leading sales, marketing, engineering and distribution company of towing products and truck accessories for all types of vehicles, from passenger cars to commercial trucks. We stand for EXCELLENCE in our products and our associates. We aspire to be the industry LEADER by recognizing that the customer is KING and our associates are our greatest ASSET.

### OUR FAMILY OF BRANDS

CURT is a supplier of a complete line of towing products and the leading manufacturer of USA-made custom-fit trailer hitches.

[curtmfg.com](http://curtmfg.com)

LUVERNE is a leading manufacturer of functional aftermarket accessories for pickup trucks, commercial vans and SUVs.

[luvernetruck.com](http://luvernetruck.com)

RETRAC is a leading manufacturer of OEM and aftermarket mirrors and front-end protection for heavy-duty and medium-duty trucks.

[retracmirrors.com](http://retracmirrors.com)

ARIES is a fast-paced marketer and innovator of truck, Jeep, SUV and CUV accessories.

[ariesautomotive.com](http://ariesautomotive.com)

UWS is a leading manufacturer and designer of USA-assembled truck tool boxes.

[uwsta.com](http://uwsta.com)

## CUSTOMER-FIRST SERVICE

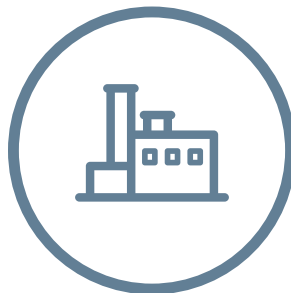

CURT Group is dedicated to a customer-first mentality. That means approaching each new challenge by thinking from the customer's perspective first.

Our goal is to offer our customers the best service, fastest order-fill, richest marketing resources and highest-quality products. One of our latest enhancements is CURT Group University. This tool is a comprehensive database for marketing literature, training presentations, videos and more.

Visit [uwsta.com](http://uwsta.com) to learn more!

We are a team of 1,000+ associates dedicated to thinking from the customer back.

We manufacture products in Wisconsin, South Dakota, Florida and Mexico.

We ship from 12 regional warehouses across the United States and Canada.

# **RIGIDCORE™ TECHNOLOGY** **HIGH-STRENGTH, FOAM-FILLED LID**

RigidCore™ is a patented lid technology used in most UWS boxes. We fill the lids of our boxes with a hardening, expanding foam material, sandwiched between two durable aluminum plates. Hidden from RigidCore™ technology greatly enhances the strength of the lid, far beyond that of a standard tool box.

## **ADVANTAGES OF RIGIDCORE™**

The foam-filled lid greatly enhances strength and overall structural integrity. It also helps prevent warping.

Because of its rigidity, the lid is highly resistant to binding, ensuring smooth opening and closing of the box.

Undetectable from the outside, the foam-filled lid is completely integrated with the box and hidden from view.

# CROSSOVER TRUCK TOOL BOXES

**TOUGH. RELIABLE. WORK-READY.**

Crossover tool box in Chevrolet Silverado 2500 HD

# FEATURED PRODUCTS

## 63" slim-line boxes

New to our crossover tool box lineup is a 63" slim-line, low-profile box. It is available in bright aluminum or a gloss black powder coat finish.

## Secure Lock boxes

Secure Lock boxes have unique dual-locking handles for maximum security, as well as a removable BedRug™ liner for easy cleaning.

## Pull handle boxes

UWS crossover boxes with pull handles offer a uniquely comfortable grip when operating the lid, and they provide extra hand clearance.

# CROSSOVER TRUCK TOOL BOXES

## KEY FEATURES

Patented RigidCore™ foam-filled lid to maximize strength and prevent binding

0.058" extra-thick, one-piece aluminum tub holds heavy tools and cargo

## Product Details

- Stainless steel lock handles for security and corrosion-resistant operation
- Connecting rod allows for convenient operation from driver or passenger side
- Widespread handles are easy to reach from either side of the truck
- Interior rod enclosure helps prevent bending or jamming of lock system
- MicroSeal™ gasket helps seal out moisture, dust and dirt
- Lid self-opens for convenient operation and loading (Secure Lock is self-closing)
- Built-in screwdriver holders for easy organization (select models)
- Sliding tray and built-in tool trays for convenient small item storage and retrieval
- Multiple box sizes available for a custom fit on each truck application
- Easy to install with pre-drilled mounting slots and included hardware
- Multiple styles available, see the product index on page 7 for details
- [See page 24 for application information](#)

# CROSSOVER BOX CONFIGURATION OPTIONS

Most boxes available with a combination of the options listed below

## Profile Options

### Standard

Top portion of the tool box overhangs the bed rails to maximize space (pgs 14, 16, 18, 20)

### Low

Built lower on the bed rail for a better view out the rear window (pgs 10, 12, 16, 20)

## Handle Options

### Secure Lock

Easy-to-operate, dual-locking twist handles for strength and security (pg 10)

### Pull

Stainless steel handles provide more clearance for easier opening (pg 12)

### Paddle

Standard handle type on most of our tool boxes, opens by pulling outward (pgs 14, 16, 18, 20)

## Lid Options

### Single

Standard lid type for most of our tool boxes, opened facing the truck bed (pgs 10, 12, 16, 18, 20)

### Gull Wing

Features two single lids for convenient half-box access (pg 14)

### Lid Rail

Lid rail provides a reliable anchor for tying down cargo on top (pgs 10, 20)

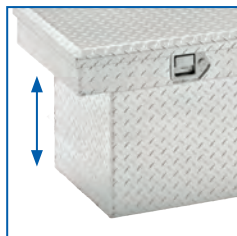

## Tub Options

### Standard

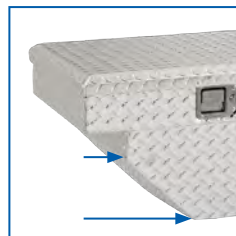

Tub type for most of our tool boxes, featuring a rectangular shape (pgs 10, 12, 14, 16, 18, 20)

### Deep

Built extra-low for max space. Available with other tub options (pgs 10, 14, 16, 18, 20)

### Angled

Accommodates unique bed sizes and wheel well shapes (pgs 10, 20)

### Slim-Line

Designed for mid-sized trucks with limited space in front of the wheel wells (pg 16)

### Extra-Wide

Extra box width provides maximum storage area for tools and equipment (pg 18)

# SECURE LOCK CROSSOVER BOXES

## KEY FEATURES

Easy-to-operate, dual-locking twist handles offer strength and maximum security

Removable BedRug™ liner protects tools, reduces noise and allows for easy cleaning

<b>Footnotes</b>	<b>For the most up-to-date application information please visit uwsta.com</b>
1 If your model is equipped with a factory, hard-plastic Tonneau System covering the bed rail, a crossover tool box will not fit.	3 If your model is equipped with a factory track-system, standard box-mounting may not apply.
2 If your model is equipped with a Ram Box, a crossover tool box will not fit.	4 If your model is equipped with a factory bed-rail system, standard box-mounting may not apply.
	* For Gloss Black, add <b>-B</b> instead of <b>-BLK</b>
	† For Matte Black with rail, use part# SLD69-A-LP-MB-R

Footnotes	For the most up-to-date application information please visit uwsta.com
1 If your model is equipped with a factory, hard-plastic Tonneau System covering the bed rail, a crossover tool box will not fit.	3 If your model is equipped with a factory track-system, standard box-mounting may not apply.
2 If your model is equipped with a Ram Box, a crossover tool box will not fit.	4 If your model is equipped with a factory bed-rail system, standard box-mounting may not apply.
	* For Gloss Black, add <b>-B</b> instead of <b>-BLK</b>
	† For Matte Black with rail, use part# SLD69-A-LP-MB-R

**Available ordering options**  
(listed above part numbers)

All part#s listed are Bright Aluminum. Use key below to identify alternative finishes or to add a rail. Then add desired suffix shown to end of part#.

**A** - Matte Black (add **-MB**)  
**B** - Aluminum with Rail (add **-R**)  
**C** - Matte Black with Rail (add **-MB-R**)  
**E** - Gloss Black (add **-BLK**)

**Footnotes**

**1** If your model is equipped with a factory, hard-plastic Tonneau System covering the bed rail, a crossover tool box will not fit.

**2** If your model is equipped with a Ram Box, a crossover tool box will not fit.

**3** If your model is equipped with a factory track-system, standard box-mounting may not apply.

**4** If your model is equipped with a factory bed-rail system, standard box-mounting may not apply.

\* For Gloss Black, add **-B** instead of **-BLK**

† For Matte Black with rail, use part# SLD69-A-LP-MB-R

**Available ordering options**  
(listed above part numbers)

All part#s listed are Bright Aluminum. Use key below to identify alternative finishes or to add a rail. Then add desired suffix shown to end of part#.

**A** - Matte Black (add **-MB**)  
**B** - Aluminum with Rail (add **-R**)  
**C** - Matte Black with Rail (add **-MB-R**)  
**E** - Gloss Black (add **-BLK**)

# UTILITY CHEST BOXES

**TOUGH. RELIABLE. WORK-READY.**

Secure lock under tonneau chest box in 2015 Ram 3500

# FEATURED PRODUCTS

## Under tonneau boxes

These utility chests are built with a 16-1/2" height and an offset lid to be compatible with most truck bed tonneau covers.

## Matte black 5th wheel box

Low-profile boxes engineered to fit in the truck bed with a 5th wheel hitch while towing a 5th wheel trailer. Now available in matte black.

## Trailer tongue boxes

Perfect for equipment and trailer accessories, these boxes mount onto the trailer tongue on both straight-tongue and A-frame trailers.

# SECURE LOCK UNDER TONNEAU CHEST BOXES

## KEY FEATURES

16-1/2" high profile with offset lid to be compatible with most tonneau covers

Patented RigidCore™ foam-filled lid to maximize strength and prevent binding

## Product Details

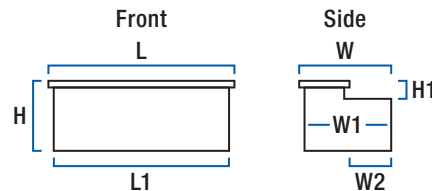

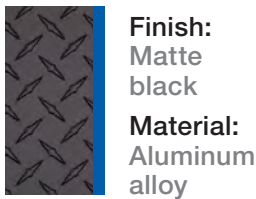

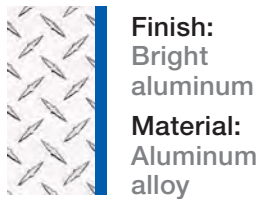

- 0.058" extra-thick, one-piece aluminum tub holds heavy tools and cargo
- Easy-to-operate, dual-locking twist handles for enhanced security
- Connecting rod allows for convenient operation from driver or passenger side
- Interior rod enclosure helps prevent bending and jamming of lock system
- MicroSeal™ gasket helps seal out moisture, dust and dirt
- Lid self-opens to 90 degrees for convenient operation and loading (may be limited by tonneau cover style)

# 5TH WHEEL CHEST BOXES

## KEY FEATURES

Low-profile design provides plenty of clearance when towing a 5th wheel trailer

Patented RigidCore™ foam-filled lid to maximize strength and prevent binding

## Product Details

- Designed to mount inside the truck bed, leaving bed rails free for other use
- 0.058" extra-thick, one-piece aluminum tub holds heavy tools and cargo
- Stainless steel lock handles for security and corrosion-resistant operation
- Connecting rod allows for convenient operation from driver or passenger side
- Interior rod enclosure helps prevent bending or jamming of lock system
- MicroSeal™ gasket helps seal out moisture, dust and dirt
- Lid self-opens to 90 degrees for convenient operation and loading

## Finishes & Materials

# TRANSFER TANKS

**TOUGH. RELIABLE. WORK-READY.**

Hammerhead-style tank in 2015 Ram 2500

# FEATURED PRODUCTS

## Hammerhead-style tanks

With a unique, narrowed base, these new tanks are designed to be a universal fit for all full-size trucks. Available in L-shape and combo.

## Steel-aluminum combo

These combo tanks are an industry first, featuring a dual construction of steel and aluminum to weigh less than competitive, full-steel models.

## Aluminum tanks

Our aluminum tanks are built with heavy-duty aluminum alloy and feature a commercial-grade vented cap and an integrated drain plug.

# TRANSFER TANK OVERVIEW

Tanks are DOT-compliant for transporting Class 3 combustible fuels only, such as diesel.

## KEY FEATURES

Transfers diesel or other non-flammable liquids to on-site vehicles or equipment

Lockable, commercial-grade vented cap with reinforced collar for added security (replacement cap #UWS-CAPS)

## Product Details

- Internal baffles for added extra strength and an even flow of liquid
- Built-in drain plug for easy and complete emptying as needed
- 100% pressure-tested for safety
- Integrated tabs for solid installation
- Unique, smooth finish on steel tanks and rugged diamond plate on aluminum
- Two built-in lifting hooks for easier relocation in and out of the truck (steel tanks only)
- Multiple tank capacities and styles available for a custom fit on each truck application
- See page 92 for application information

\* Add 3" to dimension (L) for mounting bracket clearance

\*\* Add 2-3/4" to dimension (H) for vent cap clearance

# L-SHAPED TANKS

Tanks are DOT-compliant for transporting Class 3 combustible fuels only, such as diesel.

## KEY FEATURES

L-shaped tank allows space for a truck tool box

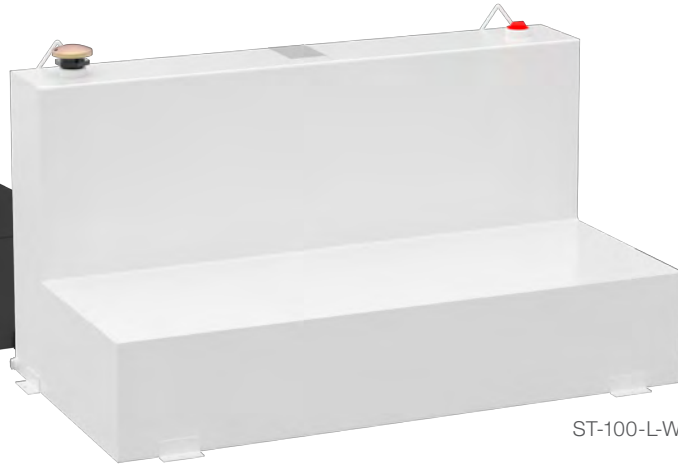

Lockable, commercial-grade vented cap with reinforced collar for added security

See page 82 for a full list of product details

See page 92 for application information

## Finishes & Materials

### Steel tanks

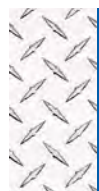

**Finish:**  
Matte black  
**Material:**  
14-gauge steel

**Finish:**  
Semi-gloss white  
**Material:**  
14-gauge steel

### Aluminum tanks

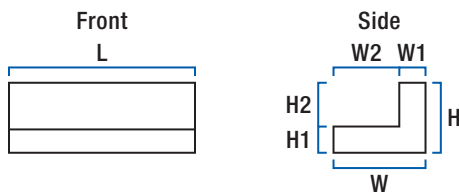

**Finish:**  
Bright aluminum  
**Material:**  
Aluminum alloy

**Finish:**  
Gloss black  
**Material:**  
Aluminum alloy

# DOG BOXES

**TOUGH. RELIABLE. WORK-READY.**

Northern dog box in 2014 Ram 1500

## FEATURED PRODUCTS

### Northern dog box

This double-door dog box features enclosed walls to help protect from wind and cold temps. It is also equipped with a top storage chest.

### Southern dog boxes

These dog boxes have open rungs to let in cool breeze, and they are available with single or double doors. Both have a top tie-down rail.

### Accessory box

This 34" wide box fits perfectly into the top of our dog boxes, providing secure storage of collars, training dummies and other accessories.

# SOUTHERN DOG BOXES

## KEY FEATURES

Premium design to transport your dogs and dog equipment safely and securely

Open rungs allow for consistent airflow to help keep dogs cool

## Product Details

- Rail provides a reliable anchor for tying down cargo on top
- 0.058" one-piece aluminum to be strong, lightweight and corrosion-resistant
- Stainless steel lock handle for security and corrosion-resistant operation

DB-3636

## Finish & Material

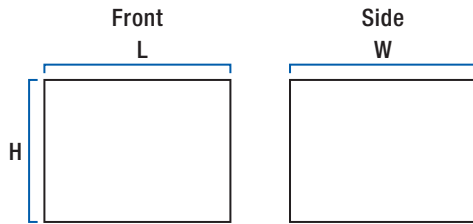

**Finish:**  
Bright aluminum

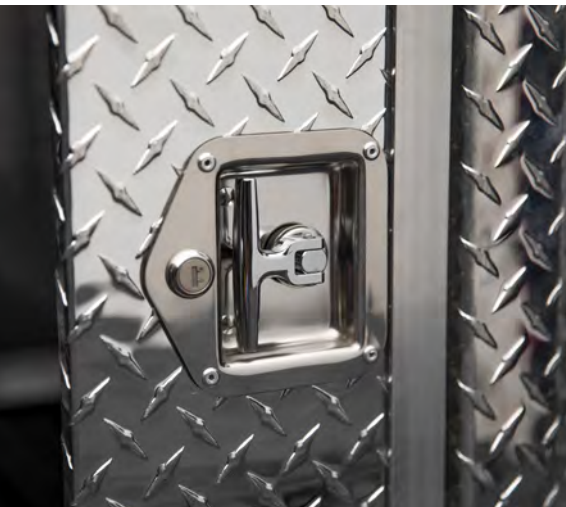

**Material:**  
Aluminum alloy

  - Tool tray insert
  - Built-in features insert
  - Product features header 1
  - Product features header 2

9940004 sticker signage set (tool box sold separately)

# LIMITED LIFETIME WARRANTY

UWS ("UWS") provides limited lifetime warranty coverage against defects in factory workmanship and materials for UWS® products ("Products") sold by authorized UWS dealers for use by retail (end use) consumers. This Limited Warranty is provided only to the original Product consumer, and applies only to the original installation. This Limited Warranty is not transferable and does not extend or apply to anyone else. For consumers in the U.S.: this Limited Warranty gives you specific legal rights; you also may have other rights, which vary from state to state.

This Limited Warranty is the sole and exclusive warranty provided by UWS, and all other warranties and conditions are excluded and disclaimed. **UNDER THE LAW OF CERTAIN STATES, THERE MAY BE NO IMPLIED CONDITIONS OR WARRANTIES FROM UWS APPLICABLE TO YOUR PRODUCT, AND ALL IMPLIED CONDITIONS OR WARRANTIES (INCLUDING ANY WARRANTY OF MERCHANTABILITY OR FITNESS FOR A PARTICULAR PURPOSE) ARE EXCLUDED AND DISCLAIMED WHERE ALLOWED BY LAW.** If implied warranties are imposed under any applicable state law, all such implied warranties are limited to the duration of the applicable provisions of this Limited Warranty. Some states do not allow limitations on how long an implied warranty lasts, so the above limitation may not apply to you.

## COVERED PRODUCTS AND LIMITATIONS

UWS provides the following Limited Warranty coverage:

Product	Workmanship & Materials	Components & Parts	Finishings & Coatings
All storage boxes	Limited lifetime	One-year	One-year
Other accessories	Lifetime	One-year	One-year

Each of the warranty coverage periods runs from the date of purchase of the Product (proof of purchase is required) and applies only to warranted defects that first occur and are reported to UWS within the applicable warranty period. UWS retains the right to determine to its reasonable satisfaction whether any claimed defect is covered by this Limited Warranty.

Certain items are excluded from Limited Warranty coverage by UWS, and this **Limited Warranty coverage does not apply to:**

- Wear and tear from normal use, including damage from road debris
- Improper product selection, application, installation or maintenance
- Modifications, including the attachment of other hardware or components

- Misuse, abuse, overloading, improper trailering or hauling, accident
- Corrosion or damage due to environmental conditions

## REMEDIES UNDER THIS LIMITED WARRANTY

If a defect covered by this warranty occurs, UWS will repair or replace the Product, or refund the purchase price, in its sole discretion. This "repair, replacement or refund" remedy is the **sole and exclusive remedy** under this Limited Warranty. UWS has **no responsibility or liability for any incidental or consequential damages**, such as loss of use of vehicles or trailers, towing charges, storage charges, labor and service charges for removing or reinstalling Products, loss of or damage to personal property, or interest or finance charges, all of which are specifically **excluded and disclaimed** from this Limited Warranty. Some states do not allow the exclusion or limitation of incidental or consequential damages, so the above limitation or exclusion may not apply to you.

## RESPONSIBILITY OF PURCHASER

The Purchaser must have proof of purchase to obtain service under this Limited Warranty. Contact UWS for a Returned Goods Authorization (RGA) and return instructions; UWS will not accept Products unless an RGA has been issued. The Purchaser must deliver the Product to UWS or an authorized UWS dealer along with the RGA number and proof of purchase.

The UWS Limited Warranty policy in effect on the date you purchased your Product determines the applicable warranty coverage, and subsequent or prior UWS warranties are not applicable to your Product. The terms of this Limited Warranty cannot be changed or modified, except by a written agreement signed by an officer of UWS. UWS reserves the right to improve its products through changes in design or materials without being obligated to the owners of the Products of the same or similar models.

# TOUGH. RELIABLE. WORK-READY.

Dependability does not come automatically. It has to be earned. Whether it's an individual, a truck or a piece of equipment – earning a reputation for being dependable is something that comes through dedication, consistency and hard work.

At UWS, we are determined to provide dependable products for hardworking individuals. That is why each of our tool boxes is assembled right here in the USA and why we continue to pursue innovation and quality enhancement in our product line.

From farmers, contractors and sportsmen to everyday American families, we want to give our consumers something they can be proud to mount in their truck and that will give them the security and confidence to achieve a job well done.
