PART# 3500300

ARIES offroad Jeep tube door mirrors are designed to quickly and securely mount onto ARIES Jeep tube doors and provide a rock-solid view. The high-strength steel construction is specially engineered to reduce rattling and vibration on the trails.

- Rugged build provides a stable view on offroad Jeeps
- High-strength carbon steel construction with durable black powder coat
- Rock-solid 11-gauge steel brackets with 16-gauge steel mounting plate
- Easy, no-drill installation and quick, as-needed removal
- Fits all ARIES tube door bolt configurations (will not fit original equipment doors)
- 5" diameter convex glass helps eliminate blind spots for safe maneuvering
- 5/16" center-mount ball stud for added stability and easy tilt adjustment
- Includes two mirrors and installation hardware
- Limited lifetime warranty (one-year finish, one-year parts)
