

RAMBLER™ STEEL TOW BAR

**TRUST
THE TOWING
EXPERTS.**

**INTRODUCING
THE ALL-NEW
TOW BAR LINE
BY CURT!**

PART# 70001

The CURT Rambler™ steel tow bar is easy to use and highly tested for reliable flat towing. It also stores quickly and conveniently, featuring pivoting arms that can be moved to either side or apart. The CURT Rambler™ is rigorously tested for absolute confidence in your towing setup. It has a solid steel construction and 7,500-pound gross towed vehicle weight rating.

- Automatic, hands-free locking mechanism ensures you are ready to tow
- Extended arm length for extra hookup radius and clearance
- Weighs less than 40 pounds for easy handling and setup
- Rigorous physical testing for proven safety and performance
- Active slide resistance provides enhanced control
- Polymer isolator washers reduce friction for smooth, anti-rattle operation
- Fully sealed design and rubber sleeves protect against dirt and debris
- Premium textured black finish for lasting corrosion and wear resistance
- Fits 2" x 2" trailer hitch receiver tubes
- Two hitch pin holes for added clearance
- Compatible with CURT or Blue Ox base plates (sold separately)

Patented, non-binding latches for easy release on inclines, declines and turns

Three stowing positions to avoid obstructions and maximize versatility

TRUST THE TOWING EXPERTS

CURT has a long history and experience in the towing industry - we know it in and out. We test our products to rigorous standards because successful towing starts with safety.

Years of knowledge and experience have culminated to produce our line of tested, proven RV tow bars. CURT tow bars are well-crafted, easy to use and reliably tough to give you the peace of mind to enjoy every mile of the road ahead.

WHY CURT TOW BARS ARE SUPERIOR

DESIGN EXPERTISE

Years of engineering experience have been poured into the design of our tow bars, delivering superior features, such as our patented, non-binding latches.

DETAILED CRAFTSMANSHIP

Down to the smallest detail – like a fully sealed design and slide-resistant arms – CURT tow bars are crafted for real RVers and everyday road warriors.

UNCOMPROMISED TESTING

Computer testing isn't enough on its own. CURT RV tow bars are rigorously tested in real-world, physical conditions to ensure the safety of you and your loved ones.
