OPERATION.**

**FULLY TESTED
TO 30K.**

PART# 16320

The CURT PowerRide 30K 5th wheel hitch equips your pickup truck with a profession-grade solution for 5th wheel towing. It features a 30,000-pound, fully tested rating, a cast head with multi-directional tilt, an easy-to-use self-resetting handle, enhanced portability and no welding or fabricating required for installation.

- Tough, professional-grade capacity and enhanced functionality
- Ergonomic, self-resetting handle for easier use from the side of the truck bed
- Multi-directional, cast yoke head for a smooth ride and less strain on the truck
- Constructed with a cast steel main body for dependable strength
- Tested and rated to 30,000 lbs. GTW / 7,000 lbs. vertical load per SAE J2638
- Wear indicator plate for smooth operation without messy grease
- Fast, one-pin head removal makes moving easy with smaller, lighter pieces
- Strategic grip points for ergonomic moving and handling
- Three-position coupling indicator clearly shows coupling status
- Patented interlocking jaws for full kingpin contact and coupling security
- Premium, textured, dark grey teridium finish for lasting rust resistance
- 6" height adjustment for greater versatility versus 3" options
- No welding or fabrication required for installation
- Alignment pegs and easy-access bolts for simple leg-to-body attachment
