

# UTV & ATV TOOL BOXES

## Tough. Reliable. USA-Assembled.

Dependability does not come automatically. It has to be earned through dedication, consistency and hard work.

At UWS, we are determined to provide dependable products for hardworking individuals. That is why each of our tool boxes is engineered with care and crafted for tough jobs.

From farmers, contractors and sportsmen to everyday American families – we want to give our customers something they can be proud of and that will give them the security and confidence to achieve a job well done.

Sold / Installed By

## ATV TOOL BOXES

- Patented RigidCore™ foam-filled lid to maximize strength and prevent binding
- 0.058" extra-thick, one-piece aluminum tub holds heavy tools and cargo
- Stainless steel lock handles for security and corrosion-resistant operation
- MicroSeal™ gasket helps seal out moisture, dust and dirt
- Lid self-opens to 90 degrees for convenient operation and loading
- Carrying handle on the sides for easier portability
