

SECURE LOCK UNDER TONNEAU CHEST BOX

FITS MOST TONNEAUS.

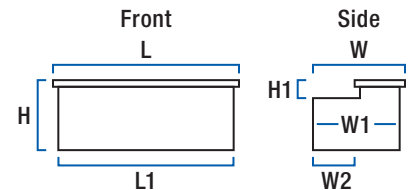

SECURE LOCK HANDLES.

PATENTED LID DESIGN.

The UWS Secure Lock under tonneau chest box is the ideal truck bed tool box for pickups with a tonneau cover. It features a low profile for wide-range compatibility, dual Secure Lock handles, our patented RigidCore™ lid, extra-thick aluminum construction and a dependable USA-made construction.

- 16-1/2" high profile with offset lid to be compatible with most tonneau covers
- Patented RigidCore™ foam-filled lid to maximize strength and prevent binding
- 0.058" one-piece aluminum tub holds heavy tools and cargo and prevents leaks
- Easy-to-operate, dual-locking twist handles for enhanced security
- Connecting rod allows for convenient operation from driver or passenger side
- Interior rod enclosure helps prevent bending and jamming of lock system
- MicroSeal™ gasket helps seal out moisture, dust and dirt
- Lid self-opens to 90° for easy operation and loading
- Limited lifetime warranty (one-year finish, one-year parts)
