

SECURE LOCK CROSSOVER TRUCK TOOL BOXES

DUAL-LOCKING
HANDLES

RIGIDCORE™
LID

REMOVABLE
BEDRUG™

The Secure Lock crossover truck tool box provides the ultimate in security and convenience. It features a unique locking system, an innovative interior and a highly durable design – all to provide a truck storage solution unlike any other.

Finish options for Secure Lock tool boxes include bright aluminum or matte black powder coat, and they are available in multiple sizes with a standard tub, angled tub, deep tub, low profile or with a lid rail.

- Easy-to-operate, dual-locking twist handles offer strength and maximum security
- Patented RigidCore™ foam-filled lid to maximize strength and prevent binding
- Removable BedRug™ liner protects tools, reduces noise and allows for easy cleaning
- 0.058" extra-thick, one-piece aluminum tub holds heavy tools and cargo
- MicroSeal™ gasket helps seal out moisture, dust and dirt
- Lid opens 90 degrees for easy loading and self-closes for single-hand operation
- Tool trays and built-in screwdriver holders for easy organization
- Easy to install with pre-drilled mounting slots and included hardware
- Limited lifetime warranty (one-year finish, one-year parts)
