SILVERADO

CURT

QuickPin™ No-Latch Trailer Couplers

- Innovative design allows fast, hassle-free trailer coupling with just one pin
- No jamming or complicated hinging components prone to wear
- Easier to use than traditional couplers
- Fastens securely with included 1/2" diameter pin and clip (no substitutes)
- No adjustments or tightening needed
- Lasso lanyard secures pin to coupler to avoid missing pieces
- Passes SAE-684 performance testing
- Compatible with most existing coupler mounting hole configurations (hardware not included)

50-degree A-frame angle
to fit most A-frame trailers

QuickPin™ No-Latch Trailer Couplers

- How it works:

Step 1: Drop trailer tongue

Replace your existing trailer coupler with the QuickPin™ no-latch coupler. Drop the trailer tongue down until the QuickPin™ coupler seats onto the trailer ball.

Step 2: Insert primary pin

Slide the QuickPin™ hitch pin into place. The unique design secures the coupler firmly in place without the need for a complicated hinging latch. No adjustment needed!

Step 3: Secure with safety clip

Secure the QuickPin™ hitch pin for travel with the included safety clip. A convenient lasso-style lanyard keeps the components together to avoid lost pieces.

A-Frame and Straight-Tongue Couplers

- Available for A-frame or straight-tongue trailers and channel-mount style
- Posi-lock, sleeve-lock and easy-lock latch styles
- Features holes to accept a safety pin or coupler lock
- Tested for safety in accordance with SAE J684

Adjustable Couplers

- Channel-mount allows for easy height adjustment
- Compatible with CURT channels #48610 and #48650
- Secured by a dual-bolt mounting system

#48610

#48650

Jacks

Marine Jacks

- Caster wheel for trailer mobility and coupling
- Side-wind handle raises or lowers trailer coupler
- Swivel bracket allows jack to fully swing up and out of the way for travel

A-Frame Jacks

- Designed to be mounted on an A-frame trailer tongue
- Can bolted or welded on (hardware not included)

Jacks

Swivel Jacks

- Swivel bracket allows jack to fully swing up and out of the way during travel
- Pull-pin keeps jack securely locked in place
- Available in pipe-mount or bracket-mount style

Direct-Weld Square Jacks

- Designed to weld directly to the trailer frame
- Drop leg with spring return for fast retraction (#28512)
- Pull-pin keeps jack leg securely locked in place

Safety Chains

- Helps resist complete vehicle-trailer separation during a disconnect
- Break strength capacities ranging from 2,000 up to 72,400 lbs.
- Chain assembly must meet or exceed gross trailer weight
- Available with S-hooks and clevis hooks
- Protected by a durable zinc-plated finish

Safety chain hanger #45806
available for 2" shanks

Transport Binder Chains

- Designed for tying down and binding heavy-duty cargo
- Grade 70 rating for superior tensile strength and abrasion resistance
- Break strength capacities of 18,800 or 26,400 lbs.
- Assembled with two clevis grab hooks for secure attachment
- Protected by a durable yellow zinc-plated finish

TRAILER PARTS & ACCESSORIES

Safety Cables

- Coiled design keeps cables from dragging on the ground
- Nylon coating protects cables from rust and allows for easier handling
- Assembled with two safety latch hooks for secure attachment
- Break strength capacities ranging from 3,500 up to 7,500 lbs.

TRAILER PARTS & ACCESSORIES

Breakaway Kits

- Activates electric trailer brakes in the event of a breakaway
- Meets DOT requirements for holding / breakaway situations
- Compatible with trailers with up to three axles
- LED lights indicate a good charge, battery charging or low battery (#52042, #52044)
- Bolt-on mounting system for secure installation on the trailer
- Required in most states

Push-to-Test kit

Hooks

Clevis Grab Hooks

- Meets requirements for high-test chain
- Hook pin and cotter pin provide an easy, secure attachment to safety chain
- Constructed from high-strength, heat-treated steel

Safety Latch Clevis Hooks

- Exclusive design and spring-loaded safety latch help ensure secure attachment
- Meets requirements for high-test chain
- Hook pin and cotter pin provide an easy, secure attachment to safety chain

Hooks

Certified S-Hooks

- Quickly and easily connects safety chains from trailer to tow vehicle
- Tested for safety in accordance with SAE J684
- Wire safety latch helps ensure secure attachment

Snap Hooks

- Quickly and easily connects safety chains from trailer to tow vehicle
- Spring-loaded safety latch helps ensure secure attachment
- Patent# 5,664,304

Hooks

Quick Links

- Provides a quick connection for chains, cables, ropes or straps
- Threaded link ensures secure attachment with the option to disconnect later
- Requires no tools for installation

Hand Winches

- Crank-style winch for boat trailers or hoisting applications
- Constructed from high-strength, cold-forged steel
- Equipped with a locking lever for increased safety
- Strong pinions eliminate gear-to-shaft bonding failures
- Broached pinion shaft securely engages the pinion gear
- Handle with plastic grip cover for easy, comfortable operation

Hand Winches

- Base features slotted screw holes for flexible mounting
- Straps made from 2" wide, no-stretch nylon web
- Zinc-plated snap hook for easy, secure hookup

Wheel Bearing Kits

- Automatically maintains the correct internal pressure to avoid seal damage
- Includes two bearing cones, two bearing cups, a grease seal and cotter pin
- Available to fit spindle outside diameters 3/4", 1" and 1-1/16"

Wheel Bearing Protectors

- Protects wheel bearings from dirt, water and road grime
- Maintains pressure and keeps bearing greased
- Features a small reservoir to keep bearings well-lubricated
- Covers prevent dust and debris from entering the bearing protector
- Hub bore sizes available in 1.78", 1.98", 2.32" and 2.44" diameters

Wheel Chocks

- Perfect for chocking wheels on a parked trailer or adding safety during vehicle maintenance
- Raised tread offers a better grip on the wheel
- Saw-tooth edges on the base provide solid traction on the ground
- Always to be used with vehicle brake
- Not for commercial use

Cargo Straps

- Perfect for securing cargo in trailers, truck beds and more
- Offers a superior tie-down method compared to bungee cords and rope
- Cambuckle mechanism allows for direct tension on lighter loads
- Ratchet mechanism allows for greater tension on heavy loads
- Straps constructed from high-strength, woven nylon

TRAILER PARTS & ACCESSORIES

Rings & Tie-Down Anchors

Recessed Rope Rings

- Recessed design eliminates obstruction and provides a finished look
- Adds a convenient anchor point for ropes, bungee cords or straps
- Perfect for cargo management in trailers, trucks and vans

D-Rings

- Square holes accept 3/8" carriage bolts (#83740 and #83742)

Lashing Rings

- Adds a heavy-duty anchor point for ropes, cables, straps or chains
- Raw finish allows for ready welding of mounting bracket
- Large opening offers a reliable anchoring point

TRAILER PARTS & ACCESSORIES

Limited Lifetime Warranty

- CURT provides limited lifetime warranty coverage against defects in factory workmanship and materials for CURT products sold by authorized CURT dealers for use by retail (end use) consumers.
- https://storage.googleapis.com/curt-group-warranties/CURT_Warranty_2018.02.09.pdf

Product	Workmanship & Materials	Components & Parts	Finishings & Coatings
Hitches	Lifetime	One-year	One-year
Brake controls	Lifetime	One-year	One-year
Electrical and wiring	One-year	One-year	One-year
Other accessories	Lifetime	One-year	One-year

LIMITED LIFETIME WARRANTY

CURT MANUFACTURING, LLC ("CURT") provides limited lifetime warranty coverage against defects in factory workmanship and materials for CURT® products ("Products") sold by authorized CURT dealers for use by retail (end use) consumers. This Limited Warranty is provided only to the original Product consumer, and applies only to the original installation. This Limited Warranty is not transferable and does not extend or apply to anyone else. For consumers in the U.S., this Limited Warranty gives you specific legal rights; you also may have other rights, which vary from state to state.

This Limited Warranty is the sole and exclusive warranty provided by CURT, and all other warranties and conditions are excluded and disclaimed. **UNDER THE LAW OF CERTAIN STATES, THERE MAY BE NO IMPLIED CONDITIONS OR WARRANTIES FROM CURT APPLICABLE TO YOUR PRODUCT, AND ALL IMPLIED CONDITIONS OR WARRANTIES (INCLUDING ANY WARRANTY OF MERCHANTABILITY OR FITNESS FOR A PARTICULAR PURPOSE) ARE EXCLUDED AND DISCLAIMED WHERE ALLOWED BY LAW.** If implied warranties are imposed under any applicable state law, all such implied warranties are limited to the duration of the applicable provisions of this Limited Warranty. Some states do not allow limitations on how long an implied warranty lasts, so the above limitation may not apply to you.

COVERED PRODUCTS AND LIMITATIONS

CURT provides the following Limited Warranty coverage:

Product	Workmanship & Materials	Components & Parts	Finishings & Coatings
Hitches	Lifetime	One-year	One-year
Brake controls	Lifetime	One-year	One-year
Electrical and wiring	One-year	One-year	One-year
Other accessories	Lifetime	One-year	One-year

Each of the warranty coverage periods runs from the date of purchase of the Product (year of purchase is required), and applies only to warranted defects that first occur and are reported to CURT within the applicable warranty period. CURT retains the right to determine to its reasonable satisfaction whether any claimed defect is covered by this Limited Warranty.

Certain items are excluded from Limited Warranty coverage by CURT, and this Limited Warranty coverage does not apply to:

- Wear and tear from normal use, including damage from road debris
- Improper product selection, application, installation or maintenance

- Modifications, including the attachment of other hardware or components
- Misuse, abuse, overloading, improper handling or handling, accident
- Corrosion or damage due to environmental conditions

REMEDIES UNDER THIS LIMITED WARRANTY

If a defect covered by this warranty occurs, CURT will repair or replace the Product, or refund the purchase price, in its sole discretion. This "repair, replacement or refund" remedy is the **sole and exclusive remedy** under this Limited Warranty. CURT has **no responsibility or liability for any incidental or consequential damages**, such as loss of use of vehicles or trailers, towing charges, storage charges, the carriage, labor and service charges for removing or reinstalling products, loss of or damage to personal property, or interest or finance charges, all of which are **specifically excluded and disclaimed** from this Limited Warranty. Some states do not allow the exclusion or limitation of incidental or consequential damages, so the above limitation or exclusion may not apply to you.

RESPONSIBILITY OF PURCHASER

The Purchaser must have proof of purchase to obtain service under this Limited Warranty. Contact CURT for a Returned Goods Authorization (RGA) and return instructions. CURT will not accept Products unless an RGA has been issued. The Purchaser must deliver the Product to CURT or an authorized CURT dealer along with the RGA number and proof of purchase.

The CURT Limited Warranty policy in effect on the date you purchased your Product determines the applicable warranty coverage, and subsequent or prior CURT warranties are not applicable to your Product. The terms of this Limited Warranty cannot be changed or modified, except by a written agreement signed by an officer of CURT. CURT reserves the right to improve its products through changes in design or materials without being obligated to the owners of the Products of the same or similar models.
