

The UK's first cycle to work scheme for bike share.

CycleSaver Product Guide

WHAT IS CYCLESAYER?

We're reinventing cycle to work

CycleSaver is the UK's first cycle to work scheme for bike sharing subscriptions. **Employees save up to 47% on subscriptions** offered by popular bike share providers such as Lime, Forest, Beryl, Voi, Dott and TfL's Santander Cycles.

How it works

The cost of our subscriptions is deducted from an employees pre-tax (gross) salary each month, which results in tax savings of up to 47%, depending on your salary band.

Tax band	Annual Salary	You save
Basic	Less than £50,234	28%
Higher	More than £50,234	42%
Additional	More than £120,121	47%

How to apply

Once a company has signed up with CycleSaver, they will provide their employees with a unique application link to view and apply for their preferred subscriptions.
