\$1b+
shareholder
value

1,000+
high value
jobs for
Wellington

Creative HQ's startups are **6 times more likely to survive** their first 5 years compared to the global average.

Our startup services

We support founders from idea to scale

Pre-Incubation	Startup	Scaleup	Community
Early Stage Support Startup Sessions 1:1s E-learning Modules	Accelerators We run themed accelerators twice per year in partnership with corporates and govt. We have run accelerators on tourism, impact, climate and many more.	Tech Support Scale Up Incubator Expert workshops Events - careers, tech week	Events, Network Community - Angels, Founders drinks Talk Innovation Leadership Political Leaders debates

Accelerator process

12 months' progress in 12 weeks

Whakawhanaungatanga
, wellness, goal setting,
key programme concept
training e.g. Impact

Weekly business
coaching, goal setting,
tools training,
accountability

Advisory board style
weekly mentor
meetings.
Mainly made up of
alumni founders giving
back.

Opportunity to jump the
gap from starting out to
connecting with leading
business and
community people,
investors, government
and corporates.
Connection for
established players with
new innovative
founders.

A celebration of the
accelerator journey.
Audience is govt. &
corporate partners,
Investors - Angels, VCs
and business
community.

goals & challenges

- We've put together a short survey to capture results on the biggest goals and challenges for this coming year.
- Results will be shared after the event and could provide great insights into how you're doing compared to your peers.
