## STARFLOOR CLICK 55 & 55<sup>PLUS</sup>

### Starfloor Click 55 & 55<sup>PLUS</sup> with Extra Matt effect

Matt elegance for an aura of authenticity. Elegance you'll call home.

#### Extra Matt, extra elegant finish

Create a more homely atmosphere with Tarkett's Starfloor Click 55 & 55<sup>PLUS</sup>. Its elegant Extra Matt finish reinforces the authentic beauty of a room's atmosphere. And with soft, muted hues, it's also the perfect complement to bright furniture that brings life to a room whether a bathroom, a kitchen, or a living room.

That's not all. With a select range of natural-looking colours and realistic looks such as wood, stone and concrete, Starfloor Click 55 & 55<sup>PLUS</sup> offers subtle designs that are carefully handcrafted in Europe to help you choose a room's ambiance, anywhere in the house.

#### Eternally beautiful

Rest assured, there's nothing fleeting about Starfloor Click 55's style and 55<sup>PLUS</sup>'s style. Backed by a twenty-year warranty, the vinyl flooring includes a durable professional-grade wear layer. Treated with Top Clean surface protection, it offers increased resistance to your kitchen, hallway, child's room and indeed all high traffic spaces where scuffs, scratches and stains happen, not to mention how easy it is to clean and maintain.

Starfloor Click 55 without Extra Matt effect

Starfloor Click 55 with new Extra Matt effect

#### Installed with a click

Installing Starfloor Click 55 & 55Plus has never been so fast and easy thanks to the fold-down click system. From tiles to three lengths of planks, (all with four-sided bevelling), you can opt for an acoustic underlay for additional sound absorption and matching skirtings for that final polish.

#### Designed for life...

Starfloor Click 55 and 55<sup>PLUS</sup> is one step ahead when it comes to making an impact on people and the planet. Designed to be returned, recycled, remanufactured or reused, it's 100% recyclable. And since the VOC levels of our floorings are 10 to 100 times lower than the strictest European standards, they can contribute to your well-being with better indoor air quality.

No matter what you like, **Starfloor Click 55 & 55<sup>PLUS</sup> with Extra Matt effect**

has everything to embody a natural, soothing ambience.

Simply put, it's matt elegance with an aura of authenticity.

# LIME OAK

## Lime Oak

This flooring feels like a good friend: always there but never intrusive. The well balanced design is coming in nine coordinated colour shades from white to black to match every interior style. A perfect starting point to create exciting ambiances based on a timeless but contemporary design.

# ALPINE OAK

## Maggiore

From the mountain lodge to your home. Alpine Oak is catching the rough and worn feeling of a hideaway surrounded by pure nature. The colours are a reminder on the natural aging of wood and the tactile surface, which follows the structure of the wood grains, thanks to the Plus effect.

Dimensions: 24,05 x 149,1 cm

# LEGACY PINE

## Pine

Authenticity for wood lovers. The nearly unfinished look of the Legacy Pine is a reference to the reclaimed materials which delivers a warm atmosphere but with an industrial twist. The colours are like aged or bleached from time and weather which is supported by the registered surface embossing.

# ROUGH CONCRETE

## Beton brut

Concrete has been the favorite material of architects since a long time for a reason. No other material is that classic and modern at the same time. The Rough Concrete is an example of the puristic impression but also delivering homeliness through the colour range.

# BRUSHED PINE

## Rustic

A decor like a garden picnic. Signs of usage but also parts which could be bleached from the sunlight are part of this design. Light colours which could be inspired from a nordic summer are completing this feeling.

# ACCESSORIES

## UNDERLAYER - FAST-TRACK RENOVATION SYSTEMS

### MARATHON® DUAL

- The ready-to-use solution for renovating over an existing subfloor
- Superior performance
- Easy to install and remove

#### DESCRIPTION

- **Material:** MDF and coniferous woods
- **Density:** 240kg per m<sup>3</sup>
- **Total thickness:** 6mm
- **Article code:** 24993020

## UNDERLAYERS - FOR ACOUSTIC COMFORT

### TARKOMFORT PREMIUM

- High-performance acoustic insulation: high-impact sound reduction (19 dB with iD Inspiration Click) and in-room noise reduction (72 dB).
- High-performance solution to improve static indentation resistance (0.18mm with iD Inspiration Click).
- Quick and easy to install.

#### DESCRIPTION

- **Material:** viscoelastic polymer based on polyolefins and EVA
- **Total weight:** 100g per m<sup>2</sup>
- **Total thickness:** 1mm
- **Article code:** 2499 2030 - Black

### TARKOMFORT PRO

- Powerful acoustic insulation, reducing both impact sound and in-room noise (13dB).
- Enhanced durability thanks to its high-density, heavy-duty composition (1,500g per m<sup>2</sup>).
- Simple to install solution with woven anti-slip surface to grip floor covering.

#### DESCRIPTION

- **Material:** siliconised PET carrier film with high-resistance polyurethane layer and non-woven white fleece backing
- **Total weight:** 1.500g per m<sup>2</sup>
- **Total thickness:** 1.5mm
- **Article code:** 2499 2020
- **Compatible with:** LVT click (planks and tiles)

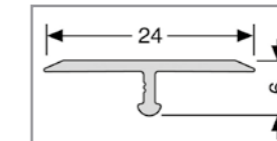

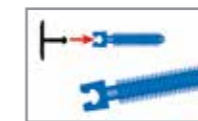

## TRANSITION PROFILES

### LVT TRANSITION STRIP GENERAL TRAFFIC

Aluminium transition strip for LVT Click & Loose-Lay used in general traffic areas. To be screwed. Elegant finish with smooth surface and no visual screws. Bendable with radius 60 cm.

- **Size:** 24 mm wide x 6 mm high x 2700 mm long
- **Packaging:** Full kit including top profiles and dowls. 10 units of 2,71m in a cardboard box = 27 lm

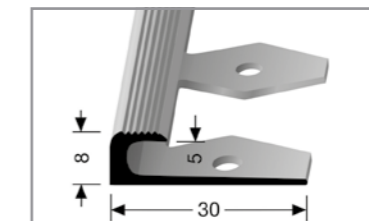

<b>Silver</b> NCS:S 2500-N	1451 021
<b>Stainless steel</b> NCS:S 6005-Y20R	1451 022

### LVT BENDABLE STOP PROFILE

Aluminium stop profile to be screwed. Very resistant to wear & traffic. Ribbed surface for slip-resistance. Bendable with radius 80cm.

- **Size:** 30 mm wide x 5 mm high inside x 8 mm high outside 30 mm high x 2500 mm long
- **Packaging:** Full kit including stop profiles, screws and dowls. 10 units of 2,51m in a cardboard box = 25 lm

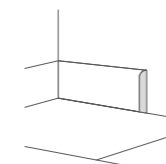

<b>Silver</b> NCS:S 2500-N	1456 011
<b>Stainless steel</b> NCS:S 6005-Y20R	1456 012

## SKIRTINGS

### PVC DECORATIVE SKIRTING

Compact skirting with decorative film and PUR surface treatment. Perfectly match all Starfloor Click 55 designs.

- **Packaging:** 2.021m skirting in packs of 10

# STARFLOOR CLICK55/55<sup>PLUS</sup> SUSTAINABILITY DOING GOOD. TOGETHER.

Every day, we strive to improve people's lives, preserve natural resources and respect our environment. We focus on making products that deliver optimal performance, promote healthy living and preserve the planet's natural capital. Our design philosophy is inspired by the circular economy.

## Designing for life

We design our flooring solutions for life, thereby contributing to people's well-being and good health as well as preserving natural resources.

### People-friendly spaces

We apply Cradle-to-Cradle® principles. 96% of materials used in our products are assessed by the EPEA.

All Tarkett vinyl products manufactured in the European Union are close to 100% phthalate-free. Starfloor Click 55/55+ also have ultra low VOC emissions for optimal indoor air quality.

### Respecting the environment

All of our vinyl sites in the European Union are equipped with closed-loop water systems today.

## Closing the loop

Starfloor Click 55 and 55+ contain between 21% and 36% recycled materials.

Starfloor Click 55 and 55+ are eligible for our ReStart® takeback programme. Through ReStart®, installation flooring waste can be effectively managed while contributing to safeguarding the world's natural resources and protecting the environment. We recycle customer flooring offcuts and waste from our production, transforming it into new, high quality products.

In this way, we can collectively close the loop and shift to a circular economy.

## Driving collaboration

We seek ways to work more closely with our customers, suppliers and industry partners as we believe in a collaborative approach to respond to global challenges. We promote transparency about our sustainability progress, products and ambitions by voluntarily disclosing product information.
