Safety Data Sheet

acc. to OSHA HCS (29CFR 1910.1200) and WHMIS 2015 regulations

Printing date: August 10, 2018

Revision: August 10, 2018

Flam. Liq. 2, H225
Eye Irrit. 2A, H319

Trade name: First Street Ethanol Green

(Cont'd. of page 1)

65-75%

• Other hazards There are no other hazards not otherwise classified that have been identified.

3 Composition/information on ingredients

· Chemical characterization: Mixtures

· Components:

64-17-5 ethanol

Additional information: For the wording of the listed Hazard Statements refer to section 16.

4 First-aid measures

[•] Description of first aid measures

• After inhalation: Supply fresh air; consult doctor in case of complaints.

• After skin contact:

Immediately wash with water and soap and rinse thoroughly.

If skin irritation is experienced, consult a doctor.

• After eye contact:

- Remove contact lenses if worn.
- Rinse opened eye for several minutes under running water. If symptoms persist, consult a doctor.
- After swallowing:
- Rinse out mouth and then drink plenty of water.

Do not induce vomiting; immediately call for medical help.

Most important symptoms and effects, both acute and delayed:

- Headache
- Dizziness

Causes eye irritation.

May cause gastro-intestinal irritation if ingested.

Nausea in case of ingestion.

Indication of any immediate medical attention and special treatment needed:

No relevant information available.

5 Fire-fighting measures

Extinguishing media
Suitable extinguishing agents: Alcohol resistant foam Foam Water fog / haze Carbon dioxide
For safety reasons unsuitable extinguishing agents: Water stream.
Special hazards arising from the substance or mixture In case of fire, the following can be released: Carbon monoxide, carbon dioxide.

(Cont'd. on page 3)

FancyHeat

Safety Data Sheet

acc. to OSHA HCS (29CFR 1910.1200) and WHMIS 2015 regulations

Printing date: August 10, 2018

Revision: August 10, 2018

Trade name: First Street Ethanol Green

(Cont'd. of page 2)

[•] Advice for firefighters

· Protective equipment:

Wear self-contained respiratory protective device.

Wear fully protective suit.

Additional information:

Cool endangered containers with water fog. Use large quantities of foam as it is partially destroyed by the product.

6 Accidental release measures

[•] Personal precautions, protective equipment and emergency procedures

Ensure adequate ventilation.

Keep away from ignition sources.

Use personal protective equipment as required.

Environmental precautions Avoid release to the environment.

[•] Methods and material for containment and cleaning up

Pick up mechanically.

Send for recovery or disposal in suitable receptacles.

Reference to other sections

See Section 7 for information on safe handling.

See Section 8 for information on personal protection equipment.

See Section 13 for disposal information.

7 Handling and storage

[·] Handling

· Precautions for safe handling:

Use only in well ventilated areas.

Open and handle receptacle with care.

Keep out of reach of children.

Information about protection against explosions and fires:

Keep ignition sources away - Do not smoke.

Protect from heat.

Protect against electrostatic charges.

[•] Conditions for safe storage, including any incompatibilities

- · Storage
- Requirements to be met by storerooms and receptacles:

Store in cool, dry conditions in well sealed receptacles.

Avoid storage near extreme heat, ignition sources or open flame.

· Information about storage in one common storage facility: Store away from oxidizing agents.

• **Specific end use(s)** No relevant information available.

Viscosity	
Dynamic:	Not applicable.
Kinematic:	Not applicable.
Other information	No relevant information available.

10 Stability and reactivity

· Reactivity: No relevant information available.

· Chemical stability: Stable under normal temperatures and pressures.

Thermal decomposition / conditions to be avoided:

No decomposition if used and stored according to specifications.

[•] Possibility of hazardous reactions

Flammable.

Reacts with strong oxidizing agents.

Used empty containers may contain product gases which form explosive mixtures with air.

· Conditions to avoid Excessive heat.

· Incompatible materials Oxidizers

• Hazardous decomposition products Carbon monoxide and carbon dioxide

13 Disposal considerations

· Waste treatment methods

· Recommendation:

Smaller quantities can be disposed of with household waste.

The user of this material has the responsibility to dispose of unused material, residues and containers in compliance with all relevant local, state and federal laws and regulations regarding treatment, storage and disposal for hazardous and nonhazardous wastes.

[·] Uncleaned packagings

• Recommendation: Disposal must be made according to official regulations.

• Recommended cleansing agent: Water, if necessary with cleansing agents.
