## L&B Reserve Aged Beef®

Lunds & Byerlys Reserve Aged Choice Beef is skillfully aged using our exclusive patented process for a minimum of 28 days to achieve optimum flavor and tenderness. In fact, much like an oak barrel promotes the aging of wine, we use untreated cedar in our aging process to provide an incredible depth of flavor, which adds bold nutty tones to the beef while proving an unmatched tenderness to every cut, even when compared to dry aged or prime beef.

These exceptional steaks and roasts are available exclusively at Lunds & Byerlys.
