

DANDI AI

ACCEPTABLE USE POLICY

Last Updated: July 1, 2024

This Acceptable Use Policy (“**AUP**”) identifies prohibited uses of the services made available to by Dandi to you under the applicable agreement (“**Services**”). Dandi may update the AUP at any time by providing notice to you. We do not allow the Services to be used in any manner that would:

- Violate any applicable law (including but not limited to any manner that promotes, contributes to, or encourages illegal or unlawful activity)
- Generate, promote, disseminate, or otherwise use or facilitate content that may harm other individuals
- Deceive or mislead others, including but not limited to activity related to plagiarism, scams, phishing or malware, and furtherance of misinformation
- Generate, promote, disseminate, or otherwise use or facilitate content that may violate or infringe upon the rights of others (including but not limited to intellectual property rights and privacy rights)
- Override safety or privacy filters, controls, or mechanisms
- Perform decision-making processes with legal, financial, or other significant effects without ensuring appropriate human reviews as required by Customer’s internal policies
- Be otherwise inconsistent with Google Gemini’s [Acceptable Use Policy](#).

If you have any questions about whether your activity or use case is permitted or prohibited by this AUP, please email us at contact@itsdandi.com.
