🌀 ZIGGLES – Pen & Jewelry Trays

Two more functional pieces from the ZIGGLES series, both built around the same soft wave form.

- Jewelry Tray (Key Tray): 227 × 133 mm
- Pen Tray: 218 × 73 mm

These are perfect for everyday essentials — pens, keys, rings, or whatever else you need to keep within reach.

TRAYS:

- Layer height: 0.24 mm
- Infill: 5% gyroid
- No supports needed

INSERTS:

These optional inserts sit inside the trays and expose the gyroid infill as a textured surface. They're flexible, light, and super satisfying to print.

Print Settings:

- Layer height: 0.24 mm
- Infill: 20% gyroid
- Top layers: 0
- Bottom layers: 0
- No supports needed

This removes the outer shells and reveals the internal infill pattern, turning it into a functional mat.

Both models are included in the .3MF file, so if you're using Bambu Studio or a compatible slicer, just load it up. If not, input the settings manually — simple and print-friendly.

Designed to mix, match, and live together on your desk or entryway.
