TEAGRID Tea Bag Organizer

Dimensions: 231 × 177 × 53 mm (per layer)
Includes: Base box, removable grid insert, lid

TEAGRID is a simple, practical tea bag organizer designed to keep your favorite teas easy to sort and even easier to reach. Each layer holds a six-section grid that drops neatly into the box - perfect for keeping different flavors separated and visible.

The clean ribbed exterior gives it a soft, minimal look, and the lid fits snugly on top of any layer. You can use a single box or stack several on top of each other to build a larger tea station.

Print Instructions

Material I used: Bambulab Matte PLA Desert Tan + Dark Brown

Recommended settings

- **Layer height:** 0.24 mm
- **Infill:** 7% gyroid
- **Walls:** default slicer settings work well
- **Brim/raft:** not needed for most printers
