Lippia – Lip Balm Holder Keychain

Description

Lippia is a 3D printable keychain holder designed specifically for carrying lip balm tubes securely and conveniently.

The holder attaches easily to keys, bags, or backpacks, keeping your lip balm accessible while preventing it from getting lost. Its clean cylindrical design provides a reliable friction fit optimized for common lip balm tube sizes.

Lippia is available in **two size variants** to fit both slim and wider lip balm formats.

Filaments in the photos: Bambulab Silk PLA White + Champagne
