RINGLIA Bird Feeder

Description
RINGLIA is a minimalist, modern bird feeder designed to blend function with clean, timeless design. The round frame creates a soft, balanced silhouette, while the removable tray makes refilling and cleaning effortless.
Drainage holes at the bottom help keep the bird seed dry and fresh after rain, making RINGLIA both practical and durable for outdoor use.
Perfect for balconies, gardens, and window spaces — a simple way to bring a touch of calm design and nature together.

Printing Instructions

Recommended Material:

- **ASA** → Best for UV and weather resistance.
  (Requires an enclosed printer and proper ventilation.)
- **PETG** → Recommended alternative if printing ASA isn't possible.

🔹 RING

- **Layer Height:** 0.20–0.24 mm
- **Infill:** 15% Gyroid
- **Wall Lines:** 2–3
- **Supports:** None
- **Seam:** Back
- **Brim:** Enable if you experience bed adhesion issues or when printing with ASA
- **Dimensions:** Ø 220 mm × 90 mm

🔹 TRAY

- **Layer Height:** 0.16 mm
- **Infill:** 15% Gyroid
- **Supports:** None
- **Seam:** Back
- **Features:** Built-in drainage holes to prevent water accumulation
