THALOR Herbs Planters with legs

A calm little home for your kitchen herbs.
This THALOR edition planter set is designed for growing fresh herbs while still looking like a soft, modern decor piece.

With its signature vertical rib texture and warm minimalist shape, it fits beautifully on windowsills, kitchen counters, or shelves.

You get two planter shapes in this set:
• **Square** – perfect for single herbs
• **Rectangular** – ideal for mixed herbs or companion planting

Both include drainage and raised legs.
