Per the Town of Jamestown Water & Sewer Operations Ordinances, all utilities/taps/meters and associated hardware shall be installed by a licensed utility contractor and per the Town of Jamestown's specifications. The Town of Jamestown must inspect and approve all utility work before service is rendered. Backflow prevention devices may be required. Please call a minimum of 7 days prior to requiring inspections so that staff may schedule accordingly. By signing below, you agree to abide by the Town's procedures and standards.

Any other questions may be addressed to the Public Services Department at 336.454.1138.
