

Permit #: _____

Town of Jamestown
Burning Ordinance

The burning of leaves, brush, trash or any refuse is prohibited within the town limits, EXCEPT with a permit. The burning of brush by commercial contractors clearing large open areas properly permitted by the Town of Jamestown and in accordance with local air quality burning regulations. Also with permit, burning of Bonfires and Camp Fires.

Conditions: In the event atmospheric conditions are such as to make burning the above materials hazardous, the Applicant must not start the burning process: or if burning is in process, must cease the burning operation. The following materials are not allowed to be burned: garbage, paper, cardboard, tires, and other rubber products. Building materials including lumber and wood scrapes, wire, plastics, other synthetic materials, asphalt, shingles and other products with heavy oils, paints, household or agricultural chemicals.

At no time during the burning shall applicant fail to have the fire constantly attended by a competent person until such fire is extinguished. Such person shall have a garden hose connected to water supply or other approved fire extinguishing equipment readily available for use. Materials shall be burned in small piles, in a cleared area, at least 200 feet away from any structure. No materials (trees, limbs, etc.) larger than 6 inches in diameter to be burned. Failure to comply with the above requirements will result in revocation of permit. A Fire Department representative may conduct a site-visit.

Permit: Permit Cost is \$25 and must accompany completed application. Permit must be available on-site at the time of burning.

Enforcement: Where there is a violation of any provision of this ordinance, the Town, at its discretion, may penalize the guilty party per the Town’s Code of Ordinance (§ 91.99): Each separate day of a continued violation shall be a separate and distinct offense and shall give rise to a separate and distinct penalty.
