## Town Awarded Funding

### Flood Mitigation Funding Award

The State of North Carolina appropriated the Golden LEAF Foundation \$25 million for a Flood Mitigation Program. The Flood Mitigation Program will award funding up to \$2 million per project. Funds may only be awarded to units of local government. The Golden LEAF Board awarded \$7,704,537 in funding to support 10 projects through the Flood Mitigation Program in Avery, Columbus, Craven, Cumberland, Duplin, Guilford, Harnett, and Wilson counties.

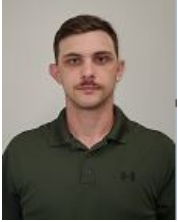

The Town of Jamestown was awarded \$769,000 in funding from the Golden LEAF Foundation under the Flood Mitigation Program for construction expenses. The project will replace the current infrastructure at O'Neil Drive, Royal Road, and Wiltshire Drive with larger pipes. It will address the frequent flooding experienced as a result of undersized culverts and infrastructure which does not allow for sufficient flow during rain events. Households and users of the road will benefit from this project. This project would not be possible without the funding from the Golden LEAF Foundation and the Town is appreciative of this funding opportunity.

## Yard Sales

Thinking of having a yard sale? Follow these rules to ensure you have the best yard sale possible! Avoid losing your signs to code enforcement by only posting when and where it's allowed. Yard sale signs may be put up after 12pm on Fridays and must be removed by 12pm on Monday. They may not be attached to any telephone poles or street signage.

If you have any questions call or email Anna Hawryluk at Town Hall at 336-454-1138 or [ahawryluk@jamestown-nc.gov](mailto:ahawryluk@jamestown-nc.gov)

## New Town Staff

Garrett Christy will be working in our Public Services Department. He will be driving our recycling truck and helping out with general town maintenance. Garrett will also work closely with Jonathan Knight in our Water Department. He is married with two children.

Jonathan Beaver is a new Groundskeeper at our Golf Course. He comes to us with over 10 years of golf course maintenance experience in Myrtle Beach, SC and locally. Jonathan said that he is extremely pleased to be working with such a great team of people.

Dennis Lain returns to us after many years to work as a Groundskeeper in our Parks and Recreation Department. He replaces Tony Holder who resigned earlier this spring.

Jeff Goard is our new Parks and Recreation Superintendent. Jeff comes to us with over 20 years of Parks and Recreation experience and is extremely appreciative and excited to be part of a wonderful town. He is looking forward to working closely with Josh Brown and Dennis Lain and helping Scott Coakley out as needed. Jeff is married with 2 children.

Scott Coakley was promoted to Director of Parks and Recreation

## Pinecroft Sedgefield Fire Department

Summertime is a great time to be outside with friends and family. Here are a few grilling tips for your outdoor cookouts! When your grill is in use, it should be kept in an open space, away from anything that might catch fire, including siding, deck railings, eaves, or tree branches. Make sure that when your grill is on, that you stay with it. Keep children and pets at least 3 feet away. Grills get very hot and can burn you without even touching it.

We hope that you have a safe summer!
