## Landscaping Plans?

Know what's below.  
Call before you dig.

Thinking about doing some landscaping? To make sure you don't hit anything that can harm you or your property, we advise you to call 811. This is a service provided in the state of North Carolina that can inform you if you might have any power, sewer, or utility lines that may be going under your property and also provide rules for safe digging. You can learn more by going to <https://call811.com> or by simply dialing 811. If you have any other questions regarding what you might need before doing any work in your yard, reach out to the Town's Planning Department at 336-454-7392 or email: [tcheek@jamestown-nc.gov](mailto:tcheek@jamestown-nc.gov). Happy digging!

## Leaf Collection Ends

The Town of Jamestown's annual Leaf Collection Program will finish the season on February 23rd. Please have all leaves at the curb prior to Thursday, February 22nd to be guaranteed pick up. After February 23rd you will need to bag your leaves in paper bags approved for yard waste or in a Town yard waste toter. Please note that plastic bags are no longer accepted and will not be picked up by the Town. The bagged weight can not exceed 50 pounds when full and should be of a size that one individual can pick it up.

## The Joy Of Giving

This year, the Town of Jamestown staff contributed money and gifts to provide Christmas presents to 3 boys and 3 girls. This is an annual tradition for our staff – "It's a small way to give back to the community where we work" said one staff member.

Sunday 7:30 - 5

Monday 9:30 - 5

Tuesday - Saturday 7:30 - 5

**Helpful Reminder**

Public Services would like to remind our residents to leave 3 ft between your garbage and recycle container on your assigned pick up day. The drivers have experienced challenges trying to pick up your containers and can result in drops and damages.
