& Golf Course

**GOLF SPECIALS**  
1/2 price buckets at the driving range  
After 12:00 pay for one, second plays free

**FREE JR GOLF CLINICS**  
12:00—1:00 ages 8-10  
1:30—2:30 ages 11-13

## HELLO FROM THE CLERK'S CORNER

Hello from the Clerk's Corner. We have made it through the winter and signs of spring are everywhere in Town. The trees at Town Hall are blooming and the grass is growing. What a beautiful time of year.

The Mayor has proclaimed April 16th, 2016 as Litter Sweep Day in the Town of Jamestown. If you are interested in participating in this year's Spring Litter Sweep, please join us on Saturday April 16th from 9:00 am - 11:00 am. We meet in the parking lot of the Food Lion Grocery Store, 118 W. Main Street. The Town supplies safety vests, gloves and bags for litter pickup.

We concentrate on picking up litter along Main Street. Depending on the number of volunteers and the weather, we extend our efforts in other parts of Town. The more people, the more ground we can cover. The Town looks so nice and clean with all the trash picked up. April 16th is also the opening day for the Spring Furniture Market. Let's show our market visitors that the citizens of Jamestown take pride in their Town and have a big clean up .

Litter Sweep 2015

Plans are underway for the Jamestown Memorial Day Parade. This parade is sponsored by the Jamestown Lions Club and the Jamestown Veterans Committee. The date is Sunday May 29th, 2016 at 3:00 pm. The Memorial Day Parade begins at the Town Hall and proceeds along Main Street ending at Jamestown Elementary School at Potter Drive. The Parade Entry forms are available on the Town of Jamestown website, [www.Jamestown-nc.gov](http://www.Jamestown-nc.gov) or stop by the Town Hall and pick one up. We are seeking entries for the Parade. This is a special day for remembering the people who died while serving in the country's armed forc-

es. The sacrifices made by these heroes are immeasurable. Freedom ranks among the greatest gifts known to man, but it has a price. These soldiers and their families paid that price. We are seeking military type entries. Also, patriotic entries. Decorate your entry with red, white and blue. Join us as we pay homage to our fallen heroes .

Memorial Day Parade 2015

The Town of Jamestown has several events coming up this spring and summer. Mark your calendar for these fun events:

- April 16 – "Play the Park" Jamestown Park
- May 21 – Community Craft & Yard Sale – Wrenn Miller Park
- June 18 – Music at the Park – Wrenn Miller Park
- July 23 – Music at the Park – Wrenn Miller Park
- August 2 – National Night Out – Wrenn Miller Park
- August 13 – Music at the Park – Wrenn Miller Park
- October 1, – Bicentennial Celebration Jamestown Day – Wrenn Miller Park

Please visit our Town website for more details on each of these events. If I can be of help, please contact me.

Happy spring,

Martha S. Wolfe, CMC

# Course Greens Renovations

John Crowe, Parks Superintendent, and Lester George, Golf Course Architect, have completed a final review of the greens plans and contract to re-grass 19 greens on the Jamestown Park Golf Course.

The pre-construction Bid Conference is being held on March 28, 2016 and bids are due by April 12, 2016.

The work consists of re-contouring the green surfaces on 18 holes of the golf course and the putting green. The re-contouring will be significant on holes 3, 8, 11, 13, and 18. The re-contouring will be moderate on holes 4, 9, 12, 14, 15, and the practice green. The re-contouring will be minimal on holes 1, 2, 5, 6, 7, 10, 16, and 17.

Full Plans and Specifications may be downloaded at: [www.Jamestown-nc.gov](http://www.Jamestown-nc.gov).

We are still anticipating the greens renovation work to begin in May 2016 and continue into late summer. A grand re-opening of the course is planned for Labor Day weekend 2016.

## Community Craft and Yard Sale

Jamestown Craft and Yard Sale will be held May 21 at Wrenn Miller Park at 7am. This is a great way to clear out your garage or market your craft wares!

[Applications](#) are available at Town Hall, on Facebook and on the Town website.

If you are not selling, this is your opportunity to find that special treasure.

## PARK PARTNERS

Call Chuck Smith at 336-454-1138 or visit Jamestown's website at [www.Jamestown-nc.gov](http://www.Jamestown-nc.gov) for more information on how to become a Park Partner.

Where retirement living takes on a whole new spirit.

Sponsored by the Sisters of the Poor Servants of the Mother of God

## Jamestown Events

Jamestown is a destination town. One reason is the many events and happenings occurring in Jamestown in our restaurants, music venues, and shops. Over the past few years the Town has either supported, sponsored, or organized major events and happenings. Town staff is a major contributor to the Rotary Christmas parade and the Lions Club Memorial Day parade from corresponding with perspective parade entrants well in advance of the event date to providing traffic control (financially paying for deputies and staffing) during the event.

The recent Easter Egg Festival was organized solely by town administrative and park staff. The event was reinvented to become "Play in the Park" and shifted to a mid-April date due to the varying Easter date and unpredictable late-winter weather. The newly conceived event's purpose is to promote Jamestown Park recreation (including the golf course, of course) and to

get folks to visit the park for family fun. Golf specials and clinics will be offered (see our Facebook page) as well as bounce houses and food vendors. It's an events we hope will get folks to the park for fun and see the many amenities offered that will keep them coming back.

The Town will add to the many happenings in downtown Jamestown from May to October with the following events:

**Play in the Park @ Jamestown Park- April 16**

Likewise Dance June 18th

**Community Craft & Yard Sale @ Wrenn Miller Park - May 21 (Sat. prior to Memorial Day weekend)**

**Music in the Park @ Wrenn Miller Park :**

**June 18 - Likewise (jazz)**

**Aug 13 - Evan & Dana (contemporary)**

**July 23 - Rich in Tradition**

**(bluegrass)**

Rich in Tradition July 23rd

Evan and Dana August 13th

**National Night Out @ Wrenn Miller Park - August 2**

**Jamestown Day @ Wrenn Miller Park - October 1st Bicentennial Celebration of the Founding of Jamestown (1816 - 2016)**

Craft & Yard  
sale available  
on Facebook  
and on the  
Town website

## Clubhouse Renovation Project (Jamestown Park)

Construction appears to be moving along as they have now completed brick walls for the porches and the majority of the rough plumbing is complete. We look forward to some cooperative weather for both construction and a boost to rounds.

[Applications](#) are available for the Memorial Day Parade on May 29 at 3pm on the Town website.

# Council Meeting Highlights

January 19, 2016

*Regular Meeting Summary*

1. The minutes from the December 14th, 2015 Special meeting and the December 15th, 2015 regular meeting were approved.
2. The Town Council approved the 2016 regular meeting schedule.

10. Alex Stanco, Ragsdale High School Representative, reported news from the High School.
11. The Town Manager gave an update to the Council. Briefly stated:

RECYCLING  
WILL BE  
PICKED UP  
EVERY  
MONDAY  
DURING  
2016!

- Budget Workshop planned for April 5th, 2016 – 6:30 pm at Pennybyrn
- May 17, 2016 – Presentation of the budget message for fiscal year 2016/2017
- June 21, 2016 – Public Hearing for approval of the 2016/2017 Budget
- Results from NCDOT on speed reduction requests:
  - ◊ E. Fork Rd. – no speed reduction granted – NCDOT will erect additional pedestrian signage
  - ◊ E. Main St. – no speed reduction granted
  - ◊ Final FEMA payment from March 2014 winter storm still pending

12. The Council went into closed session to discuss a personnel matter.

13. The Council did not approve Budget Amendment # 7.

## Public Services—Contracted Work Reminder

As we begin the spring the volume of yard debris will increase. The Town will pick up yard debris on Wednesdays and Thursdays each week, and the intent is to make a complete route around Town each week. There are weeks that we may not complete the entire route due to volumes or weather, but we will start the next week’s collection at the point where we ended the previous week.

The Town of Jamestown Ordinance Related to the Collection of Solid Wastes addresses the Town’s policies for all solid wastes we collect: recycling; garbage; loose leaves; and yard waste. It also addresses items we do not collect such as: tires; lead acid batteries; antifreeze; computer equipment; pallets; electronics; televisions; paint; oils; etc. There are also some items we collect conditionally, such as white goods, which are collected when a fee is paid. For those items that we do not collect, Guilford County may have a location that collects those items. Some locations may take those items for free, where other locations may charge for the same type of item. Guilford County has an outstanding interactive website where you can learn what can be taken to various sites around the county. The website is:

<http://wastesite.co.guilford.nc.us/Default.aspx>

Please visit the website and you may be surprised at how easy it is to dispose of materials the Town cannot pick up.

The Town of Jamestown Ordinance Related to the Collection of Solid Wastes addresses solid waste generated by work performed by contractors. Generally, if you hire a contractor, they should clean up after themselves. That is what they are getting paid to do. Here is an excerpt from the ordinance in the section, **Article VIII. - Refuse not collected by the Town:**

- (b) No building materials or refuse from building operations, construction materials or remodeling projects generated/performed by a professional contractor will be collected by Town forces. The contractor is responsible for disposal.  
(Solid waste forces will collect building materials from small remodeling projects done by the home owner; up to the equivalent of a 95-gallon container capacity per project)  
Town forces will not collect yard waste and yard debris from landscape and maintenance projects performed by landscaping companies unless prior arrangements and payment of required fees with the Town have been made.

Please have your contractors, including those performing yard work and maintenance, remove the solid waste they generate. The Town’s sanitation crew will have a much better chance of completing the route each week when contracted work is removed by the contractors as it should be per the Town’s ordinance. Thank you so much for your help and cooperation.

The Town has a strong presence on facebook with three individual pages.

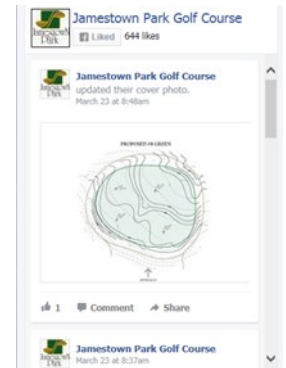

Find the page(s) which has your interests and LIKE us!

The Town page has basic Town events and reminders—Town Council meetings, garbage pickup changes and parades.

The Jamestown Parks and Recreation page with events at Wrenn Miller Park and the Jamestown Park on East Fork Road—concerts and craft fairs.

The Jamestown Park Golf Course page has events at the golf course—tournaments or specials.

**Solid Waste News**

The Town of Jamestown's annual Leaf Collection Program ended on February 26th, 2016. We completed 14 complete rounds of loose leaf collection. The leaves are "recycled" into mulch at several sites, so we do not know exactly how many tons of leaves were collected. We estimated about 500 tons of leaves were collected in the loose leaf program. We would like to thank the residents of Jamestown, as the program ran smoothly again this year.

We are still collecting leaves at the street; however, the leaves must be placed in clear plastic bags. Due to the volume of yard debris generated at different times of the year, we may not be able to collect from each street each week. If we do not complete the route on any given week, we will begin the next week's collection at the point collection ceased the previous week.
